

Credit for Service at Unhealthful Posts

Sec. 253. The Director may from time to time establish a list of places which by reason of climatic or other extreme conditions are to be classed as unhealthful posts, and each year of duty at such posts inclusive of regular leaves of absence, of participants hereafter retired, shall be counted as one year and a half, and so on in like proportion in reckoning the length of service for the purpose of retirement, fractional months being considered as full months in computing such service. The Director may at any time cancel the designation of any places as unhealthful without affecting any credit which has accrued for service at such posts prior to the date of the cancellation.

This section provides extra credit toward retirement for service at unhealthful posts. Identical with sec. 853, FSA.
